SCHOOL ZONE TRAFFIC SAFETY

TRAFFIC CALMING BOLLARDS

Ward 6 is entering the second year on a pilot project using bollards to provide pop-up traffic calming that is removable, inexpensive and effective in achieving "Traffic Calmed" neighbourhoods. These bollards can be experienced on Savage Road, Sawmill Valley Drive and Sandford Street. The bollards are used in conjunction with an electronic speed board and a law enforced *Zero Tolerance Policy*.

Recently, at Kelly Broome's Ward 6 Community Safety Open House, York Regional Police Constable Roman Santos and Sergeant Mark Altermann urged residents to slow down on our neighbourhood streets. They also agreed that the bollards were a great idea and happy to see them being used.

See it in action at kellybroome.ca/blog/bollard

SCHOOL ZONE SAFETY: PHOTO TRAFFIC CAMERAS TO COME

An important addition to school zone safety will soon be via photo traffic cameras. Bill 65, *Safer School Zones Act, 2017* amends the *Highway Traffic Act* and addresses the ability of municipalities to set speed limits within their borders and use automated speed enforcement systems and red light camera systems.

Community safety and traffic safety is the top priority identified by Newmarket residents.

SCHOOL ZONE & SPEED LIMIT SIGNS

Encourage drivers to watch for children and slow to less than 40 km/h.

RADAR SPEED BOARDS

Display the driver's speed. If the driver's speed is greater than the limit, the display will start to flash, reminding the driver to slow down.

BOLLARDS

Encourage drivers to pass through at less than 40 km/h, without slowing down emergency vehicles.

"A stronger and better Newmarket is possible when residents work together." - Kelly Broome

FURTHERING TRAFFIC SAFETY AT RANNIE AND MCCAFFREY

RECOMMENDATIONS THAT Development and Infrastructure Services Report – ES 2015-34 dated September 29, 2016 entitled "McCaffrey Road – Traffic Review #2" be received and the following recommendations be adopted:

1. THAT a 3-way stop sign be installed at the intersection of McCaffrey and Rannie Road;
2. AND THAT Traffic By-law 2011-24 Schedule 3 – Stop Signs, as amended, be further amended by deleting: Rannie Road at McCaffrey Road 1 way northbound on Rannie Road;
3. AND THAT Traffic By-law 2011-24 Schedule 3 – Stop Signs, as amended, be further amended by adding: Rannie Road at McCaffrey Road 3 way northbound on Rannie Road McCaffrey Road at Rannie Road 3-way eastbound on McCaffrey Road McCaffrey Road at Rannie Road 3-way westbound on McCaffrey Road;
4. AND THAT the necessary By-law be prepared and submitted to Council for their approval.

MOMS ON THE RUN

came together again this year in support of Relay For Life, an inspirational, non-competitive, late night fundraising event to celebrate life and fight cancer. To date, Moms On the Run have raised \$148,000 dollars.

TERRY FOX PUBLIC SCHOOL FUN FAIR A HUGE SUCCESS!

Thank you to all volunteers, parents, students, businesses, teachers, community leaders and committee members who make this incredible event possible. To date, this event has raised over \$14,000 for outdoor activity equipment!

TREE PLANTING AND PARK IMPROVEMENTS

Neighbourhood Network and Volunteers Planted Trees in Armstrong Family Park & Emily Grove Park

Several large trees and 400 shrubs were planted behind the homes and along the trails with the goals of re-establishing native tree species, enhancing water quality in local streams and wetlands and offering a hands-on volunteer experience for students, families and businesses.

Seneca Cook Park Improvements – Fall 2017

The new park will include all-new chain ladder, rock wall along with a monkey bar, t-swing, toddler swing, microphone and some new trees.

Splash Pad – Opening 2018

A splash pad will be added to Dr. Margaret Arkinstall Park (Terry Fox Public School).

CONGRATULATIONS GRADUATES OF 2017!

It was a true honour to deliver a speech on behalf of the Sir William Mulock Secondary School Council to some incredible students and a pleasure to present the Proficiency Award on behalf of the Town of Newmarket. Congratulations graduates of 2017!

– Kelly Broome
Councillor Ward 6 Newmarket

NEWMARKET VOTERS TO CAST ELECTRONIC BALLOTS IN 2018

Newmarket Council is the first municipality in York Region to adopt a fully electronic Municipal Election for 2018.

Next year, Newmarket voters will have an opportunity to participate in a more environmentally-friendly, accessible and convenient method of voting. Residents will now be able to cast their vote online or by telephone.

In addition to being able to cast their ballot remotely, voters will also have the option to attend in-person locations equipped with electronic voting stations available on certain dates and times.
