RECREATION IN WARD 6

Participation in recreation is essential to building healthy individuals and healthy communities.

More than any other service, recreation has the ability to reach all citizens, to bring people together and to engage the community. Recreation services are a catalyst for residents to love their community. The Town of Newmarket strives to provide or facilitate high quality, affordable opportunities for the community to “play”.

Ward 6 Playground and Park Improvements

2017 saw park improvements to **Seneca Cook Parkette** and **Jim Bond Park** including the replacement of playground structures, installation of tri-waste containers and signage for 911 emergencies, tree planting, and resurfacing for accessibility.

Ward 6 Community Ice Rink

The **Whipper Billy Watson Park Volunteer Community Ice Rink** is open daily until 9:30, with lighting temporary bathroom, hockey nets and benches. Thank you to volunteers for a fourth successful season.

Ward 6 Splash Pad Underway in 2018

A splash pad will be added to **Dr. Margaret Arkinstall Park**.

Ward 6 Resident Kiera Kenny Goes For Gold!

Ward 6 resident, Kiera Kenny, brought home a gold and silver medal participating with Team Dance Canada in the World Dance Championships in Poland in December. A world competitive level Irish Dancer, Kiera began competing in ballet only two years ago. Way to go Kiera!

MULOCK FARM – BECOMING A VERY SPECIAL PLACE FOR NEWMARKET RESIDENTS

“Mulock Farm has been a very special place to our family for six generations and it will forever remain close to our hearts. Moving forward, it is our hope that the public, and particularly the residents of Newmarket, receive as much happiness and enjoyment from this property as we have,” said Jenifer, Lindsay, and William Mulock.

The Town of Newmarket has entered into an agreement for the purchase of the Mulock property (north-west corner of Mulock Drive and Yonge Street). The vision is to create an iconic community park/outdoor green space which includes land to

accommodate a skating rink, walking trails and a one kilometre skating trail throughout the site. Residents will have the opportunity to see elements of the vision and provide input at an upcoming Community Open House on February 27 from 4 pm – 8 pm.

“A stronger and better Newmarket is possible when residents work together.” - Kelly Broome

FURTHERING TRAFFIC SAFETY IN WARD 6

ALL-WAY STOP AT SAWMILL VALLEY DRIVE AND PETER HALL DRIVE

Moved by Councillor Broome, staff be directed to review and report back on the potential for an all-way stop at Sawmill Valley Drive and Peter Hall Drive and opportunities for crosswalk enhancements.

TRAFFIC CALMING BOLLARD PROJECT

Year two of the Ward 6 Community Traffic Calming Bollard Project has been completed. Data is being brought forward to council in the spring in order to further traffic safety.

SOLAR SPEED BOARDS

In order to increase awareness, additional Solar Speed Boards have been added to our community, and will continue to rotate around Ward 6.

SCHOOL ZONE SAFETY: PHOTO TRAFFIC CAMERAS TO COME

BILL 65

An important addition to school zone safety will soon be via photo traffic cameras. Bill 65, *Safer School Zones Act, 2017* amends the *Highway Traffic Act* and addresses the ability of municipalities to set speed limits within their borders and use automated speed enforcement systems and red light camera systems.

SCHOOL ZONE & SPEED LIMIT SIGNS

Encourage drivers to watch for children and slow to less than 40 km/h.

RADAR SPEED BOARDS

Display the driver's speed. If the driver's speed is greater than the limit, the display will start to flash, reminding the driver to slow down.

BOLLARDS

Encourage drivers to pass through at less than 40 km/h, without slowing down emergency vehicles.

MOONLIGHT MOVIES

Beginning in May, enjoy free outdoor movies on a large inflatable screen under the stars.

Keep an eye on kellybroome.ca for dates, times, titles and locations.

COMMUNITY CLEAN-UP AND TREE PLANTING

Keep your eye on kellybroome.ca for details on the Community Tree Planting taking place in April.

The 13th Annual Whipper Billy Watson Park Clean-up is scheduled for May 5th.

NEWMARKET VOTERS TO CAST ELECTRONIC BALLOTS THIS YEAR

Newmarket Council is the first municipality in York Region to adopt a fully electronic Municipal Election for 2018.

This year, Newmarket voters will have an opportunity to participate in a more environmentally-friendly, accessible and convenient method of voting. Residents will now be able to cast their vote online or by telephone.

In addition to being able to cast their ballot remotely, voters will also have the option to attend in-person locations equipped with electronic voting stations available on certain dates and times.

By working together, sharing information and being engaged in our community, we can achieve results for Ward 6.
