MULOCK PROPERTY UPDATE

The Town is developing the property into a civic space where community life, recreation, culture, heritage and conservation collide in innovative and engaging ways. From 2019 to 2021, the Town of Newmarket, with the support of PLANT Architect Inc. (PLANT) and PROCESS, engaged over 3,000 people to share their ideas and visions for the property.

- CONSTRUCTION 2023-2025

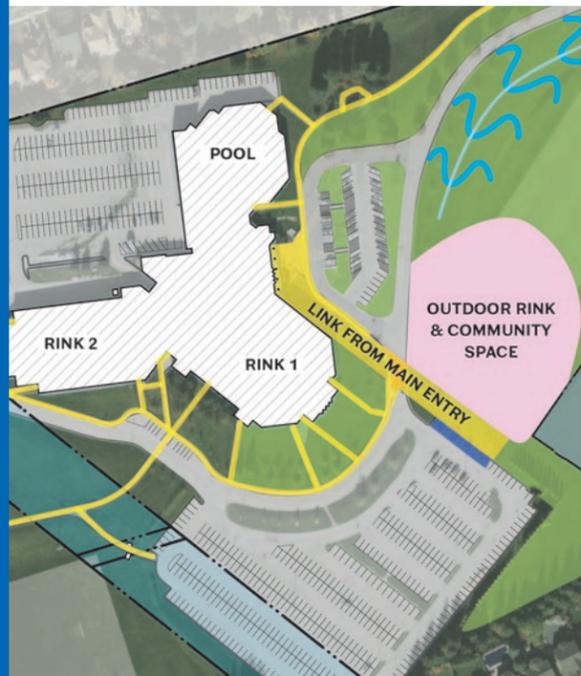

NEWMARKET'S OUTDOOR RINK AND COMMUNITY SPACE

The Town of Newmarket plans to build a full NHL-size outdoor ice rink and community space at the Ray Twinney Recreation Complex. This new facility will promote safe recreational skating, and serve as a four-season space for community activities.

"Through the success of the Ward 6 Whipper Watson Volunteer Community Ice Rink year after year our community showed us overwhelmingly that outdoor ice rinks are very much needed."

- Councillor Kelly Broome

MULOCK DRIVE MULTI USE PATH (MUP)

6.3KM IN LENGTH

BATHURST STREET TO HARRY WALKER PARKWAY SOUTH

An east-west path is being designed to connect key destinations and allow for a wide-range of recreational uses such as cycling, walking, jogging and wheelchair access.

See the presentation at newmarket.ca/mup

TRAFFIC SAFETY

NEW PILOT TRIAL FOR 2022

In response to requests by several Councillors, Transportation Services will be piloting two (2) cut-out figures of a child to be placed securely at the side of a busy street to see if this will have any effect on speed reduction. Two cut-out figures have been ordered and received.

YORK REGIONAL POLICE COMMUNITY SAFETY DATA PORTAL

York Regional Police have launched a portal which supports our community by:

- ✓ Making it easier to submit crime tips and digital evidence.
- ✓ Providing education on crime prevention and easy access to Security Camera Registry.
- ✓ Improving transparency by giving our community more access to crime statistics, trends and data.
- ✓ Supporting the work of our Neighbourhood Watch groups.
- ✓ Offering a mobile-friendly format, so residents can access information anywhere at anytime.
